Bismarck Hosts Five From SJH At State Safe Driving Meet

Sponsored by the Grand Forks Safety Council and the Junior Chamber of Commerce, Carol Bailey, Mike Herrick, Merritt Larson, Peggy O'Neill, and David Rogalla represented St. James at the Youth Safety Conference in Bismarck last Saturday.

Mr. Elton Skarperud, assistant superintendent of schools in Grand Forks, spoke to members of the Student Council on Wednesday, September 21, and in-

vited them to participate in this program of promoting safe driving among high school students.

Topics for discussion included the ethical, moral, and spiritual aspects of driving, and the development of a state-wide safety program for high schools.

Following election of officers at the convention, delegates formed a committee to look into the standards and qualifications of state tests for drivers.

Freshman Intelligentsia Earn Tuition Awards to St. James

Hefting a few of the books they will use during their next four years at St. James, freshman scholars Jane Eisner, Robert Skaar, Francis Feist, Rhonda Sabe, Linda McGurran, Kevin Kuklok, and Mary Pat Rerick compare files.

Three freshman students from St. Mary's, Kevin Kuklok, Robert Skaar, and Rhonda Sabe, won tuition scholarships to attend St. James.

At St. Michael's school, Francis Feist won the full tuition scholarship offered by St. James, and Mary Pat Rerick and Jane Eisner

were tied for the scholarship presented by St. Michael's PTA.

The Timothy Matt scholarship went to Linda McGurran, and Cathryn Platz, Patrick Curran, Mary Pat Rerick, Barbara Purcell, and Gloria Birkholz won one semester awards in the O'Connor speech contest.

Workers Build New Puck Rink At Hylden Field

Time, labor and know-how, donated by SJH hockey fans Manny Bertsch and the Feist clan — Andy, Richard, and Roger — are progressively transforming 2,000 feet of newly cut lumber into sections for a hockey rink to be erected on Hylden Field immediately after the football season.

Mr. Stan Paschke, new hockey mentor, is directing the building activities of pucksters Tom Bossoletti, Jim Coleman, John Trench, Lance Morque, Dale Kuzel, Francis Feist, and Dave Shaw who are assisting with the construction.

26 Freshmen Report For Grid Workouts

Determined to better last year's record of one victory and three defeats, 26 boys reported for the freshman football team. The five game schedule opened September 22 on Hylden Field with Sacred Heart. The frosh snowed the junior Eagles, 13-0.

Playing in the line are John Wavra, John Schabert, Terry Litchy, Bob Pladson, Mike Dorsher, Jim Farmer, Tom Capes, Jerry Engen, Francis Feist, Denny Byers, Bill Burwell, Mike Burke, Gary Lemieux, Allan Larivee, Tom Keogh, and David Risky.

Working in the backfield positions are Pat Curran, Charles Peltz, Tim Lane, George Widman, Ron Boom, Norman Wyman, Gary Dubuque, Mike Schaefer, and Tom Gustafson.

Four New Pepsters Lead Frosh Cheers

Besting a strong group of 35 contenders, Paulette Painter, Nancy Pariseau, Elizabeth Plattes and Joan Schommer, all from room 102, won the coveted uniforms of the frosh cheering squad.

Chosen for their vitality, leadership and skill, the girls beat out finalists Karen Erickson, Nancy Jones, Mary Moe and Cathy Platz by a close margin.

Sister Alissa Marie, principal, Sister Mary Saul, adviser of the Pep Club, and Pam Plattes, Gail Gillis, Margo Mullen, Barb Koehnlein, and Polly DuBourt, varsity cheerleaders, served as judges.

Students Journey To DCCY Meet

Emphasizing the theme, "The love of Christ has gathered us together" and stressing ways of pepping up local youth groups, the Catholic youth of the Fargo Diocese held their tenth annual DCCY Convention in Jamestown last week.

Jimmies representing four different parish organizations at the convention included Carrie Flaagan who ran for the office of vice-president, Randy Ostlie who entered the speech contest, Pat Buckley, chairman of the resolutions committee, and Neil Severinson, Pat Hvidston, Pat Lane, Denny Nagle, and Ann Marie Smith who attended as delegates.

Those going as observers included Ron Boom, Mary Kaye Brunskill, Carole Deraney, Jan Dubuque, Jim Fernandez, Tom Keogh, Dale Kuzel, Gary Parisseau, Doug Scraper, and John Prondzinski.

Each parish sent two voting delegates and one observer for every 25 active members in its local youth organization.

Meetings for the delegates and observers and the election of officers comprised the daytime activities. A get-acquainted party and a grand ball rounded out the evenings. The Most Reverend Leo F. Dworschak, Bishop of Fargo, celebrated a Pontifical High Mass to climax the convention.

English I Tries New System

Jim Bushaw checks on his assignment with fellow student Mark Boyle while other freshmen, Gloria Burke, Marilyn Dailey, and Gary Lemieux, busily read their paperback.

Experimenting with a new method of teaching English, Sister Mary Louise is using a paperback system this year. A series of these books, including non-fiction, plays, poetry, short stories, and novels (different in each class), forms a basis for her freshman English classes. In addition, Sister has also started a classroom library of paper-back volumes.

Commenting on the new system, Sister said, "The use of paperbacks provides a great variety of selections, enabling the teacher to chose according to the interests and ability of the group. The selections have literary value and raise the class above the level of mere reading exercise. However, the short stories, essays, and other selections do satisfy the interests of ninth graders."

Sister lists the objectives of the course as three: to arouse interest in good reading, to introduce students to selections with literary quality, and to help students develop skills necessary for reading literature independently.

'Patrolmen' Jims, Cafeteria

supervise Jims in the cafeteria, while Mary Engelstad, Katie Monley, Bill Pladson, and Dan Sweeney keep their watchful eyes out for wayward students in the gym.

Ushers appointed for assembly events include Jim Campbell, Mike Costello, Dick Johnson, and Denny Nagle.

Band Begins Year's Activities By Entertaining at Pep Rally

Working under the direction of Mr. John E. Howard, 36 Jimmy band members have practiced their routine every Monday and Wednesday in preparation for the St. James rally and Homecoming game today.

Other plans for the year include a performance in the

Christmas program and in the annual Spring Concert, in which bandsmen will have special solo parts.

Tooters who make up the band include Lois Budzeak, Margie Fabel, Carrie Flaagan, Pat Griffin, John LaMoine, Katie Monley, Jerry Schue, Carol Budzeak, Marcello DuBourt, Rick Engelstad, Barbara Horeish, Leona Hoverson, Pat Hvidston, Peggy Irwin, Marion Klava, Janice Larson, Mark Nollette, Barbara Bjerck, Roseanne Colee, Pat Doyle, Ted Fredrickson, Nancy Hawkins, Alberta Johnson, Gerald Lizakowski, Dave Rogalla, Rosie Ryan, Ron Boom, Michele Bougie, Tom Capes, Pat Curran, Eileen Hadden, Shirley Lizakowski, Nancy Pariseau, Terry Peck, Juliana Phelps, and Mike Tatsak.

Mr. Howard stated that the band, which started from scratch in '59, has since made a definite improvement, and that he expects a highly satisfactory year.

In addition to working with the St. James band, Mr. Howard has a project under way at St. Mary's and St. Michael's grade schools to encourage students to begin band work early.

Radiomen Plan to 'Air' SJH

Tom Keogh, Ray Gehrig, Cindy Hauser and Gloria Birkholz practice their radio code with the help of a tape recorder.

Aspiring to put SJH "on the air" as one of the few school-operated radio stations in North Dakota, some 20 Jims have formed a radio club under the direction of Mr. John Blazek.

Planning to obtain their amateur radio licenses from the Federal Communication Commission by the end of the school year, the group works three days a week after school learning the radio code.

Members will work with an assortment of radio equipment donated to and purchased by the school. Once they are set up for operation, the radiomen may

reach any point around the globe provided favorable atmospheric conditions prevail.

Interest in an amateur radio station at St. James grew because of Mr. Paul Bossoletti's efforts and donations over the past two years. Mr. Bossoletti, an electronic engineer, operates a ham radio himself.

Mr. H. L. Sheets, mathematics instructor at Valley Junior High, gave a final push to the project in a talk at St. James October 3.

70 Seniors Sign For College Test

To avoid the rush and confusion which usually takes place when graduated high school students first enroll in college, the UND Testing Bureau will allow seniors who plan to enter college in 1961 to take the ACT test now which the University requires of all its students.

SJH Frosh Hold Even Mark, 2-2

Jimmy freshmen received their second loss of the season at the hands of South Junior, 7-6. Tim Lane came through with the only six-pointer for the young Jims.

GRAFTON

After a scoreless first half, the frosh gridders rallied for two touchdowns to defeat Grafton 14-0.

Tim Lane and Pat Curran scored the six-pointers for the Jims with Charles Pelzl and Ron Boom adding the extra point markers.

EGF CENTRAL

Beginning a Jimmy night of victory, the St. James freshman team romped to a 20-0 victory over East Grand Forks Central. Pat Curran chalked up the first two touchdowns with Ron Boom tallying the extra points. Tim Lane ended the scoring with a 2-yard TD plunge.

JRC Unit Boasts 100% Enrollment, Expands Program

After electing Jeanette Amiot to head the newly formed Junior Red Cross council, representatives set a goal of 100% membership in the organization and launched the annual drive at St. James with the motto, "Get Enrolled and Get Rollin'." Home-rooms achieved the goal and collected \$49.96.

The council has also answered the plea of the Reverend Anthony F. Labau to make bandages for the Medical Missions. Students are now collecting old sheets that will be distributed to work crews for cutting up and rolling.

Instead of filling the usual gift boxes, the JRC council has undertaken the project of filling a school chest which will contain sufficient supplies for one classroom of needy students.

The JRC council includes Jeanette Amiot, president; Liz Plattes, vice president; Mike Scott, secretary-treasurer; Sandra Mondry, student adviser; and Margie Fabel, Janet Hadden, Martha Paschke, Bev Dohman, Alberta Johnson, Bill Dubuque, Rita McGurran, Cindy Hauser, Russ Hiney and Chuck Pelzl, council members. Sister Alice Veronica serves as teacher-sponsor.

5 Jimmies Claim Straight "A" Average; Seniors Garner Top Scholastic Honors

With both groans and shouts of elation reverberating down the halls, St. James recently marked the distribution of report cards and the drawing up of the first quarter honor roll. The senior class, trying to prove its traditional superiority, zoomed into the lead by placing 43% of its members on the coveted list. Of the juniors, 31% gained positions, while sophomores and freshmen enrolled 28% and 27% of their classes, respectively. Three seniors, Pat Buckley, Randy Ostlie, and Russ Crawford, and two

freshmen, Beverly Tegtmeyer and Alan Larivee, scored a perfect record with straight A grades.

In order of rank, Jimmies on the first honor roll include the following:

SENIORS: Pat Buckley, Russ Crawford, Randy Ostlie, Pam Plattes, Lois Budzeak, Mary Engelstad, Carrie Flaagan, Judy Auer, Mary Kay Brunskill, Margie Fabel, Gen Mynster, Sandy Anderson, Doug Bliven, Dick Johnson, Jim Larson, JoAnn Prondzinski, Joyce Adam, Katie Monley, Wynell Senger, Neil Sev-

erinson, Carolyn Sandell, Joanne Gerou.

Council Tackles December Agenda

While other school organizations enjoyed a month of comparative quiet, November proved to be a month of bustling activity for the St. James Student Council.

As a result of the Safety Council Convention in Bismarck last month, members of the Grand Forks Student Councils have decided to set up an intercity safety council to work out plans for safety in Grand Forks on the student level.

Representatives from St. James include Peggy O'Neill, Mike Herrick, Carol Bailey, Connie Lindsay, and Pat Buckley.

The Council has taken the first necessary steps for admission to the National Honor Society. The principal appointed Sister Ann Michele of the faculty and Pat Buckley as student representative to draw up a constitution to be submitted to the National Honor Society for approval.

An all-school clean-up campaign will soon go into effect. Planned to extend through the remainder of the school year, the project will emphasize the importance of neatness in the cafeteria and halls.

Jim Larson, Doris Costello, Mark Nollette, Pat Buckley, Chuck Pelzl, Doug Bliven, and Nancy Jones volunteered to promote the campaign.

A committee consisting of Student Council members will soon

draw up a code concerning dress and personal appearance. They will submit this to the homerooms for discussions and suggestions.

According to a recent resolution, the name of the Traffic Court will soon become Student Court. In addition to traffic violations, the court will try certain other offenses of students who refuse to conform to school regulations.

A letter from Mr. Edgar T. Mark, executive secretary of North Dakota Student Councils, informed the Council of a "Student Burgess Meeting" to take place in Williamsburg, Virginia, during the month of February.

Students from all over the world will meet there and discuss world affairs, government, and history, and visit various national shrines.

The state Councils will finance the trips, with each state group choosing one representative for the meeting. On the basis of specific qualifications, the Student Council advisers submitted the names of three St. James juniors as candidates.

Denny Nagle, Jim Foltz, Larry Hawthorne, Paulette Hentges, Doris Costello, and Sister Ann Michele represented St. James at the annual Student Council State Convention in Valley City November 4-5. The convention featured panel discussions, buzz sessions, and special speakers on topics related to Council activities.

10,000 Pink Slips . . .

Error Taxes Jims' Imagination

After receiving an order of office supplies the other day, the administration was quite confused. A mixup in Sister Ann Michele's order resulted in the shipment of 10,000 detention stubs to St. James. Interviewers have found that many SJH'ers have quite different ideas about what to do with them.

MR. DUPPONG: "I'd make paper airplanes with them."

ROSELLA WILHELMI: "I'd give them to all the kids who are always asking for them."

FATHER KNOKE: "I'd give one of them to someone (I only give out two detention slips every year and I have already given out one) and I'd paper my room with the rest of them."

MARY SWENSON: "I'd pass them on from generation to generation for safekeeping."

SUZIE KUNTZ: "I'd hold a detention party every Monday night in the gym with surprise guests every time."

MARY RYAN: "I would take care of certain people permanently."

TOM BOSSOLETTI: "I would make a certain teacher, to quote his favorite phrase, 'rot in detention!'"

CATHY PLATZ: "I would give them out — especially to seniors."

SHIRLEY LIZAKOWSKI: "Every teacher in the school would get one from me twice a day."

LOIS BUDZEAK and **GEN MYNSTER:** "I'd give them all to Father McCarthy."

SISTER MARY SAUL: "I'd give them to all my friends."

JULIE ANNE FIALA: "I'd put them in the detention prefects' mailboxes with all my enemies' names on them."

JOE MURPHY: "I would demand a refund or else sell them."

The school solved the whole problem by following Joe Murphy's very practical advice. The slips have been returned to the company and St. James awaits the refund which may be used to redecorate the detention room.

Christmas Woes?

Art Shop Off

By Polly DuBourt

When the cracking of frozen bedclothes and the discovery of frost on our noses greets us upon our morning awakening, we know that the cold season of the year is with us once more. Naturally the thought of winter brings our minds to the delightful subject of Christmas and gift-giving. But who among us would not like to know of a way to make this Christmas an inexpensive one? And St. James, as always, has the answer to this problem.

Our much beloved school has set up in the library a shop of articles which would make perfect gifts for any member of our families and yet are not at all expensive. With what ease the tedious struggle of Christmas shopping can be accomplished at the library gift shop!

Future Holds Clue To Retreat Success

After making their annual retreat, certain Jimmies gave these reactions to it: "Wonderful chance to see the real me." "Silence, Hmmm!" "Really great!" "Grand experience! Too bad everyone didn't take it seriously."

As the Reverend Michael Brosnahan, C.P., pointed out, the retreat would have no immediate result, but its effects would become evident throughout the school year in the students' reception of Holy Communion, their attitude toward Mass, and their general attitude toward their immediate vocation — that of being a student.

The retreat ended on Friday, November 11, with Mass, the renewal of Baptismal vows, and the papal blessing.

DJV, VFW Enrollment Soars As Accident Rate Increases

DJV, VFW members will never open a clubhouse here in town, but their ranks keep increasing at an amazing rate.

The Disabled Jimmy Veterans and Victims of Football Warfare now claim approximately 22 members, but this club has gained such popularity that people will do anything to fulfill the organization's one requirement — that of being an injured Jimmy.

Take Sister Mary Saul, for instance. No one knows just how she managed it, but when asked how she qualified, she proffered a bandage-swathed arm and answered, "I cut it." Gives the imagination a workout, doesn't it?

Many members fall into the

sling division. Dick Dehn, Myrna Berg, David Spicer, Bob Pladson, Gen Mynster, Doug Bliven, and Gary Feist met the requirements in this way.

Various other broken bones have also taken their toll. Lois Fontaine broke her collar bone in a fall, Dale Lemieux broke two fingers in a football game, and Ken Gregoire broke a thumb — "In miscellaneous activity," says he. In addition to a bandaged arm, Renee Fortin sported a broken nose. Seems she missed a left turn one night.

Football provided the qualifications for many Jimmies. Doug Donley, Jim Larson, and Neil Severinson had many aches to remind them of the grid season. Other football casualties include Dick Dehn, Doug Bliven, Dale Lemieux, Ed Kowalezik, and Gen Mynster.

Foot and leg injuries caused other Jims to limp and hobble. Lorraine Millette and Pat Ryan took to sedentary occupations, and Bob Droske, Dave Schaeffer, and Jim Schue, claiming basketball and hockey excuses, collected their share of sympathy.

At the rate people keep falling down, and the injuries keep piling up, this club may have doubled its membership by the time you read this article.

Jims Ponder Stars

Night lights burned in room 102, as more heavenly lights provided the topic for the SJH Science Club meeting there November 21.

Pat Buckley explained the different types of telescopes, while Kevin Kuklok and Robert Skaar showed slides they had made of constellations.

The club ratified a new constitution drawn up by Gail Gillis, Judy Schommer, and Pam Plattes.

Neophytes Commence Basketball Education

Eighteen freshman basketball enthusiasts answered the call of Coach Roman Horejsi at starting practice. They include Ron Boom, Bill Bushaw, Chuck Pelzl, Joe Murphy, Pat Curran, Bob Pladson, Gary Lemieux, David Risky, Mike Dorsher, Tom Stuart, Monty Witman, John Schabert, Mike Schafer, Mike Tatsak, Tom Keogh, Norman Wyman, Jerry Engen, and Terry Peck.

Frosh Girls Coach St. Michael's Team

SJH freshmen Gloria Birkholtz and Mary Moe have been spending their spare time this past month preparing a girls' basketball team at St. Michael's. The girls hope to challenge a similar team from St. Mary's and are trying to arrange further games.

Library Obtains Tables, Chairs As New Furnishings Arrive

Waxing and polishing, Rosie Raub and Cheryl O'Connell preserve the lustre of the new library furniture.

For the benefit of the curious: the "new look" in the very old school library must be credited to the long awaited arrival of completely new library furnishings ordered last summer.

"The beautiful new furniture was purchased from the 1959-60 Fund Drive for St. James," said Sister Alissa Marie, principal.

Sister went on to explain that the 68 chairs and 12 tables, which cost over \$3,000, were selected with a view to their usability in the new St. James library of the future.

The school ordered the autumn maple tables and chairs through Colborn's School Supply of Grand Forks. The tables have Neverite tops, a precaution against industrious Jims who love to write while keeping the usual silence of the library, but who forget to bring the proper supplies for this purpose.

Mrs. James Butala, prefect of the crowded second period study

hall, said, "The new furniture is wonderful. I finally not only have enough room for everyone, but I even have five chairs left over!"

Sister John Gregory, librarian, commented, "It's a big help to have room in the study halls. It's the nicest thing that's happened to me since I became librarian."

Pre-Holiday Sports Round-Up

Despite a rally in the final quarter, the Grafton Spoilers defeated the Jimmies 44-43 in a Northeast Conference game.

The St. James varsity five battled to a 54-46 victory over a stubborn Shanley squad on Saturday, December 10.

The Jims started the game slowly with Shanley racking up a 15-9 lead at the first stop. In the second quarter the Jimmies came

rolling back to establish a 22-19 halftime lead.

Shanley made another threat early in the third quarter, but a Jimmy full-court press effectively subdued them for the remainder of the game.

Scoring honors went to Denny Nagle and Doug Donley who each chipped in 15 points. Jim Larson followed with 13 markers.

Doug Donley was high point man for St. James with 17 markers. Denny Nagle added 9.

In their first encounter the Jimmy hockey team eked out a 2-1 decision over EGF Central. In the second period Jims flashed the red light twice to account for all of their scoring. Jack Trender sent the puck into the net first followed minutes later by Jim Schue who scored the winning second goal.

Trying to win game number two, varsity skaters didn't quite make the grade. Hallock beat the Jimmy squad in a sudden death overtime 4-3. Although the SJH opponents jumped to an early 1-0 lead, the Jims quickly recovered and on two successive goals by Tom Bossoletti and Jerry McCarty led 2-1 at the end of the

first period. Jim Schue added point number three in the second period of play, but Hallock kept right up with the Jimmy five and tied the score making it necessary to go into the decisive overtime.

The Jimmy pucksters scored a convincing 5-0 victory over Red Lake Falls December 17.

Tom Bossoletti was the big gun for the Jims as he scored 4 of the goals. The fifth goal was added by George Widman assisted by Bossoletti.

Losing games to Grand Forks Central and Pisek, B squaders have so far failed to strike the winning column. The Redskins trimmed the Jims 47-33 with Joe Henley and Dave Schaefer taking scoring honors at 15 and 12 points respectively. Piske handed the junior team its second loss by whipping them, 55-33. Dave Schaefer headed the Jimmy attack with 12 points.

Chalking up their first victory of the year, St. James freshmen beat Valley Junior 28-26. Three frosh, Bob Pladson, Chuck Pelzl, and Dave Risky each scored six points to share game honors.

Jim Choristers, Band Combine In Annual Christmas Program

As the last notes of the St. James Glee Club died away and applause echoed through the gym, students, a bit subdued by the spell of the age old Christmas story, hurried at noon today to begin the round of tasks and activities marking another Christmas vacation.

Both the Freshman and Senior Glee Clubs and the SJH band joined in the pour part presentation. In the first section the purple-gowned senior chorus portrayed the spirit of the first Advent in choral reading and song.

An assortment of students took

part in a Nativity tableau while Pat Buckley narrated and Cindy Olson accompanied the group in Advent chants and selections from the Christmas "Messiah." This selection also featured Gail Gillis singing "He Shall Feed His Flock."

A cutter and snowman provided the setting for the second section as the Freshman Glee Club, dressed in appropriate outdoor costumes, sang the familiar carols, "Jingle Bells," "Deck the Halls," "Carol of the Bells," and "White Christmas." Mike Dorsher soloed in this part and Ron-

da Sabe accompanied the chorus.

The St. James band, under the direction of Mr. John E. Howard, played a number of Christmas selections as the third part of the program, including Grundman's "Three Songs for Christmas."

Dressed in white and carrying green Christmas boughs with bright red ribbons, the combined Senior and Freshman Glee Clubs provided the last segment of the concert. They sang a collection of new and traditional Christmas music, such as "Go Tell It on the Mountain," "Ring Those Christmas Bells," "How Far Is It to Bethlehem," and others. Soloists included Jaime Fernandez, Bernadette Rolczynski, and Gail Gillis. Anne Ward, Bernadette Rolczynski, and Gen Mynster also sang in a trio. Both glee clubs combined in closing the presentation with Handel's "Hallelujah Chorus." Sister Ann Michele and Mrs. James Butala directed the singers. Cindy Olson, Gen Mynster, and Julie Anne Flala accompanied the groups.

Sister John Elise and Bob Ostman handled the staging and Sister John Mary and Sister Marie Valerie designed the programs.

The Glee Club presented the same production on Sunday, December 18, for the PTA and sang a 30-minute program over KNOX-TV at 10:30 p.m. on Monday, December 19.

With Arms Loaded

Jims Prepare Christmas Baskets

Dan Sweeney has a serious look as he lifts the Christmas baskets of homeroom 7 into his car, but Vicki Johnson, Mary Ellen Houle and Cindy Hauser show by their smiles that there is nothing better than the Christmas spirit.

Piling their cars high with food and Christmas goodies, the Jims will scatter north, south, east, and west to play Santa Claus this afternoon. Students volunteered their services to provide for 13 needy families on Christmas Day.

Homeroms each planned their strategy and then proceeded to accumulate the foodstuffs to be

delivered today. Among the comestibles, meat, potatoes, candies, canned fruit, vegetables and pastries poured into the boxes.

Paper and ribbon decked the packages as students wrapped mittens, stockings, toys, and religious articles. Many of the rooms are contributing Christmas trees as a finishing touch.

The pastors of St. Michael's and St. Mary's parishes submitted the names of the families to the school.

Ostlie, Crawford Reach Finals For Merit, GM Scholarships

Neil Severinson, Judy Auer, Randy Ostlie, Pat Buckley, Mike Tatsak, Russ Crawford, and Julie Anne Fiala compare notes about their awards.

Emerging as a finalist in the National Merit Scholarship test, SJH senior Randy Ostlie survived a battery of tests to become one of a select group of high school seniors throughout the nation who are hopefully waiting for the magic title "Merit Scholar" and the accompanying award.

The National Merit Scholarship Corporation, which distributes the awards, will announce the final results on April 27. Winners will receive four-year scholarships with stipends ranging from \$100 to \$1500 a year.

Active in sports and other extra-curricular activities, Randy claims the honor of being a

scholarships ranging from \$200 to \$2000 a year for four years. Announcement of the winners will take place in March or April.

An officer of Chi-Rho for the past two years, Russ has also served as a homeroom officer and junior class vice-president. He has headed J-S and homecoming committees, and at present he is working on the yearbook staff.

As a three-year letterman, Russ devotes his remaining spare time to football, hockey and track.

Recently Senator Milton Young nominated Russ for the Air Force Academy.

Lassies Outpoint Laddies; Sweep Top Honor Roll Posts

"Doggone it, this is the fourteenth time I missed the honor roll!" exclaimed one senior boy, voicing the opinion of many seniors who have only two more chances to gain a berth on the SJH quarterly list.

As far as the second quarter goes, boys took a back seat to the fairer sex as the girls claimed 73 per cent of the honor roll and the boys gained only 27 per cent of the places.

Pam Plattes, Janice Evans, Mary Fiala, and Gloria Birkholz gained top positions in their respective classes with Janice garnering the highest spot in school.

Enterprising Jimmies Win Bevy of Awards

BETTY CROCKER

Expressing her knowledge and abilities in home management problems, SJH senior Judy Auer scored top honors for the school and placed among the top 10 in the state-wide competition of the annual Betty Crocker Home-maker of Tomorrow contest.

By doing so, Judy has earned the right to compete with nine other girls for an expense-paid trip to New York City, Colonial Williamsburg, Va., and Washington, D.C. April 8 to 13. The winner's adviser will accompany her on the trip with all expenses paid. In addition to the trip, the first-ranking girl in each state will receive a \$1500 scholarship from General Mills, with a \$500 scholarship going to the state's second ranking participant.

ROTARY U.N.

SJH senior Pat Buckley will represent St. James at the fourth annual Model United Nations Assembly which convenes in Winnipeg, Canada, April 7-8.

The assembly, patterned after the United Nations group in New York, will include delegates from all member nations. Pat, along with Harriet Thorpe of Grand Forks Central, will represent the United Kingdom in all bloc meetings and assemblies.

The Rotary Club of Winnipeg conducts the event annually in order to help students better understand the functions of the United Nations. The Grand Forks Rotary Club is sponsoring Pat and Harriet, who will make a report of their trip to the club.

Each participating school chooses a student on the basis of general scholarship and knowledge of current affairs.

ELKS LEADERSHIP

Judged on leadership and school activities, Neil Severinson and Gail Gillis garnered second and third place honors, respectively, in the Student Leadership Contest sponsored by the Grand Forks Elks. Although the club has sponsored the contest annually, this year proved the first that any SJH student applied.

All nine applicants, who came from Grand Forks high schools, filled out forms, prepared clippings about activities in which they took part, and wrote an essay letter by which judges determined the winner.

Neil Severinson received \$50 and the right to compete in the state contest, while Gail won an

award of \$25. Sara Fritzell from Central, who took first place, also went on to the state finals.

VOICE OF DEMOCRACY

Placing fourth in the annual five dollars for her speech. The National and State Association of Broadcasters sponsored the contest.

GRAND FORKS HERALD

Wouldn't it be wonderful to bask in the warm, tropical sun of some far off country while at home everyone battles fierce March winds? Well, as a reward for hard work and extra effort, SJH sophomore Dave King can do just that. Recently the Grand Forks Herald awarded Dave a week's trip to Brazil with a two-day stay in New York. As top

man in the recent subscription drive he will take his all-expense paid vacation this month with other winners around the country. city-wide Voice of Democracy Contest, Julie Ann Fiala, a junior at SJH, received a cash award of

Sailing over Miami Bay in a blimp with eight classmates would constitute an unusual trip for anyone, but especially for someone from Grand Forks, North Dakota.

Nine St. James students, including Mike Schaefer, Terry Peck, Tom Capes, Pat Bulger, Shirley Lizakowski, Dave Lizakowski, Eileen Hadden, Mike Tatsak and Jim Lunski, made the trip to Miami, Florida, as members of the Gauchos, DAV-VFW drum and bugle corps, to march in the King of Oranges Jamboree New Year's parade.

The unit, under the direction of Mr. William Tatsak and Mr. Richard Quesnell, local businessmen, came home with a first place trophy in general performance, while Mike Tatsak won honorable mention for his individual marching.

Some Close Calls!

Junior Jims Wind Up Season

Holding a record of impressive victories, the Jimmy freshmen have chalked up an 8-4 mark. The frosh nosed out East Grand Forks Central twice, 35-17 and 46-23. In the latter contest Bob Pladson copped scoring honors with 15 points. Two more victories came at the hands of Sacred Heart who bowed to the Jimmy frosh 39-20 and 40-16. Tom Stewart took top honors with 10 points in the last

win. Victories five and six came at the expense of Valley Junior, 33-31 and 28-26.

SJH freshmen split a two-game contract with Crookston. In their first encounter the Pirates whipped the Jims 35-11. The Jims revengeed this loss, however, in an exciting 39-38 victory.

The other three losses came at the hands of Grafton, 26-9, and South Junior, 32-15 and 35-33.

In their final encounter of the season, the frosh whipped the Grafton Spoilers 47-32. Bob Pladson and Ron Boom shared game honors with 13 points each.

Bob Pladson topped all his freshmen teammates with 92 points for the year. Chuck Pelzl followed with 90 tallies.

B SQUAD

The Jimmy B team sports a 2-11 record.

The "B" team trimmed Sacred Heart 30-26 with scoring honors going to Larry Capouch and Lyle Myhre who netted 8 and 6 points respectively. In an exciting contest, they nipped Park River 48-46. Scoring honors went to Steve Currie with 11 points. Dave Schaefer and Lyle Myhre each made 10 points.

The Jimmy five suffered losses to Grafton, 44-24 and 52-35. Dave Schaefer hit for 10 markers in the first encounter and Lyle Myhre copped 9 points in the second. Grand Forks Central defeated the Jims 73-25. Dave Schaefer sank 10 points.

Tourney

in the first hat trick at SJH this year while Jim Olderbak slipped the puck past the Satans' goal tender for the other tally.

In their final game of the season before tournaments, the Jimmy skaters lost to Grand Forks Central by a 4-0 margin.

The SJH hockey team took part in the first hockey tournament ever played in Grand Forks. However, the first game set the Jimmies back as the Devils Lake Satans tripped the purple and white Jims 4-2. The hockey team did acquire the third place trophy by handing Fargo Central a 6-4 defeat. Jim Olderbak led the purple and white skaters with a hat trick. Following right behind, Tom Bossoletti posted two goals while Jack Trenda scored one.

Tom Bossoletti leads individual scoring with 31 points while Jack Trenda follows with 23.

Medical Missions Get RC Bandages

Having themselves a "ripping good time", the members of the Junior Red Cross met last month to roll bandages from old sheets donated by Jimmy students.

Volunteers ripped the material in two and three-inch bands and sewed them into strips 10 feet long. The next step involved mailing the 2,700 feet of bandages to the Catholic Medical Mission Board in New York. The mission will ship the bandages to areas requesting them.

Red Cross members attending the meeting included Bobbie Nelson, Elizabeth Plattes, Sandy Mondry, Jeanette Amiot, and Mike Scott.

Contest Highlights Safe Driving Campaign

Gene Schaefer, Allen Brown, Bill Bushaw, Cindy Hauser, and Peggy O'Neill examine entries in the STAR-sponsored safe driving contest in which they all emerged victorious in the various divisions.

Because of the increasing number of teen drivers, as well as the ever-mounting statistics on traffic accidents, safe driving has become an important topic for anyone old enough to drive a car. For this reason, the MORNING STAR has devoted a special section of this issue to safe driving.

In order to promote interest in a school-wide safety campaign, the STAR sponsored a safe driving contest, giving awards for the best poster, cartoon, and editorial on safe driving.

SJH freshman Bill Bushaw took first place and collected five dollars for his entry in the editorial division, while senior Bill Klava won honorable mention. Gene Schaefer, sophomore, earned

three dollars for his winning poster, and Cindy Hauser and Peggy O'Neill netted two dollars for their second-place poster.

Freshman Allen Brown received five dollars and first place in the cartoon section.

This issue of the STAR presents the problem as manifested at St. James, the work already accomplished by the Jims, and the work yet to be done in order to make all Jims good and safe drivers.

The administration and student organizations at St. James have done much to acquaint Jims with the precepts of safe driving. The Student Council traffic court, unique to St. James, tries traffic violators in and around school. The school participates in the intercity safety council set up by the Grand Forks student council.

In accordance with state law, St. James conducts a yearly driver's training course for seniors. This year Mr. William Ridley and Mr. Roman Horejsi are teaching the course.

The importance of safe driving, then, has not gone unnoticed, but the increased number of highway accidents and deaths point out that all citizens must give much more attention to it. For this reason, the STAR presents this special section on safe driving.

Jimmies Evaluate Achievements Of 1961 North Dakota Legislature

By Pat Hvidston

Endeavoring to find out if Jimmies pay much attention to current events, namely North Dakota politics, I, an MS roving reporter, confronted a great number of students with the question, "What is your reaction to the work of the 1961 North Dakota state legislature?" Most of the interviewed underclassmen answered, "I don't know what it is", while the majority of the questioned upperclassmen agreed that the lawmakers accomplished very little during this term. The opinions:

JUDY AUER: "They didn't accomplish much this time, but I'm hoping for the future. There are an excess of unnecessary laws and not enough necessary ones in this state."

RANDY OSTLIE: "They didn't agree with the governor, which can be expected when the people elect a Democratic governor and a Republican legislature."

PAT GILMOUR: "They didn't get anything accomplished."

MARGIE FABEL: "It's a big farce."

BERNADETTE ROLCZYNSKI: "I think they're crazy."

PAT BUCKLEY: "Nothing happened because of the hard-headed Republicans in there."

BOB PLADSON: "It would be a lot better if the Democrats and the Republicans would work together, but they don't."

MARY FIALA: "What is it?" (A certain world history teacher assured me that Mary would find out what it was before too long!)

EV PRZYBYLSKI: "They are trying to accomplish too much in too little time."

JOHN MAVES: "A waste of time and money!"

GLORIA BIRKHOLZ: "Best one we've had since 1960!"

TONY GLIMSDAHL: "It came out OK."

ROGER KULAS: They certainly didn't get much accomplished."

SJH Student Court, Safety Council Help Encourage Safe Driving Practices

Wishing to try out a new system for assisting students who violate school rules, St. James started a traffic court last year. The court, made up of the junior and senior members of the Student Council, try all the cases and hand down verdicts.

Traffic violations present the number of most frequent offenses that the court handled by the group. Running this court helps to cut down reckless and careless driving around school.

All monitors or Student Council members issue tickets to traffic violators. After violators receive this summons, they are taken to the Student Court which conducts itself on the pattern of the city traffic court. During the trial, students may say anything they want to defend themselves. Treatment of the offenders involves some form of detention, which varies according to the severity

of the violation and the attitude of the violator.

In addition to traffic offenses, the Student Court takes care of all students who disobey hall and cafeteria rules.

Just newly formed this year, the Inter-city Safety Council has taken as its aim the promotion of safety in the school and in the community.

St. James representatives to the council include Pat Buckley, senior; Carol Bailey and Mike Herrick, juniors; Connie Lindsay, sophomore; and Peggy O'Neill, freshman.

All high schools and junior high schools in Grand Forks and East Grand Forks can send members to the council. At their meetings they bring up safety ideas from their representative schools.

Girl Hoopsters Invade Court For Intra-mural Competition

Saturday afternoons, since the semester break, have found Jimmy girls adding the feminine touch to the basketball court. According to Mrs. James Butala, SJH girls' physical education instructor, the turnout and enthusiasm this year has topped that of all other seasons. Team scores have also registered high, and individual totals have hit double figures in all games.

The only undefeated team is that captained by Judy Schommer and Pam Plattes. In their first outing of the season, the sextet topped team 2, captained by Jane Mondry and Kit O'Brien, by 36-23. Jane scored 16 points for her team; Judy Schommer and Lana French scored 14 and 8 points, respectively, for the winners to provide the margin of victory.

In another game, team 1 inched past team 3, captained by Barb Millette and Cindy Hauser, 23-21. Judy and Lana again provided the scoring punch with 11 and 10 points. June Mondry scored 14 for the losers.

Team 3 came roaring back in

its next game to defeat team 2, 43-30. Barb Millette turned in the highest scoring performance of the season with 23 points, and Anne Ward added 10. June Mondry scored 14 points for her team.

In the final game of the season, team 1 again racked up team 3, 36-18. Lana French led the scoring with 14 points for the victors, and Judy Schommer and Gloria Birkholz pitched in with 8 points each. Barb Millette scored 12 points for team 3.

SJH Choral Group Centers Concert on 'Sounds of Music'

By Janice Evans

All around us we can hear music — in the wind, in the spring-time, even in our moods and dreams. From this idea arose the theme for this year's choral concert, "The Sounds of Music," scheduled by the Glee Club for May 14, at 8 p.m.

The first section will feature the movement of the Church's seasons. To honor Mary in her

month, the Senior Glee Club will present an old Gaelic hymn, "Mary of Graces," followed by "Mary of Dawn," a type of litany sung with alternate invocations by boys and girls. In preparation for the Pentecostal season, the chorus will sing "Once Again the Encircling Year," an old chant attributed to St. Hilary, and the hymn, "Come Holy Ghost."

Next the Glee Club, in formal dress, will bring to the audience selections sung at the Class A Music Festival in Devils Lake. The mixed chorus will sing "No Man Is an Island" and "O Sing Your Songs." The girls' chorus will present "The Shepherdess," a song based on a poem by Alice Mynell, and "In Silent Night," a German folk tune. Michele Walsh will accompany this latter with a violin obligatto. An ensemble will present a novelty number called "The China Figure." Bernadette Rolczynski will sing the solo, "Prayer," from *Hansel and Gretel*, and Gail Gillis will sing "Laughing Song" from Strauss's opera, *Die Fledermaus*.

Dreams of childhood will come alive in music in the next section, Fantasyland. Leona Hoverson will present the first selection, taking the audience back into that happy, carefree world Victor Herbert portrayed in his "Toy-

land." Gingerbread houses and lollipop trees will provide the background for this section. Other numbers will include "When You Wish Upon a Star," from *Pinocchio*, with Anne Ward soloing; "Fantasy on Nursery Rhymes" and "Over the Rainbow," a selection from *The Wizard of Oz*, featuring Gail Gillis and the combined freshman and senior choruses.

Spring-time, the season of love, provides the theme for the next section. A group of 18 girls will present "Open Your Heart to Spring," followed by a solo by Bernadette Rolczynski in which she insists that "Love is the Sweetest Thing." Not too convinced, the group sings a saucy English ballad, "When Love is Kind?" The line, "A Song of Love is a Sad Song" repeats itself over and over again in the next selection, "Hi LiLi, Hi LiLi, Hi Lo." Margie Fabel will perform an interpretive ballet during this number.

Sounds of music from a far-away place, the Austrian Alps, provides the finale of the concert.

This section, inspired by the life story of the Trapp Family, presents the chorus dressed in Austrian peasant costumes. They will sing selections from the currently popular Broadway musical, *The Sound of Music*, featuring the numbers, "Do-Re-Me," "My Favorite Things," "The Sounds of Music," and "Climb Every Mountain."

The St. James high school band,

under the direction of Mr. John E. Howard, will perform, and Cindy Olson, Pat Hvidston, Julie Anne Fiala, Mary Moe, and Christine Knoll will present three piano selections.

Gen Mynster, Julie Anne Fiala, and Cindy Olson will accompany the singers. Sister John Elise will take charge of staging with the help of Carolyn Ferry and Virginia Wesolowski.

Chorus Enters "A" Festival

The senior Glee Club members are traveling to Devils Lake today to participate in their first Class A music festival. A mixed chorus will present "No Man Is an Island" and "O Sing Your Songs," and a girls' chorus will sing "The Shepherdess" and "In Silent Night."

The Jimmy solo section will feature Gail Gillis who sings "The Laughing Song" from *The Bat*, and Bernadette Rolczynski who sings "Evening Prayer" from *Hansel and Gretel*.

In the evening the group will join with the other participating schools to sing "The Inland Sea," "Prayer to Jesus," "God's Son Has

Made Me Free," "The Bridal Chorus," and "All Love Excelling."

Gen Mynster and Julie Anne Fiala will accompany the students, and Sister Ann Michele will direct the group.

Few Survive Third Quarter Grind

Claiming top honors as the only Jimmy with a perfect record for all three quarters, freshman Alan Larivee again earned a straight A report card. Seniors Pam Plattes and Randy Ostlie also merited A's in all their subjects this quarter.

Showing evidence of a possible touch of spring fever, 37 other Jimmies failed to repeat their performance on the third quarter honor roll. Only 28% of the students at St. James attained positions on the list, falling short of the 33% who managed the necessary 9 points at the semester.

Girls again swept the top positions, with Pam Plattes, senior,

Jimmy Laureates Wins CDA Awards

Entering the Catholic Daughters of America poetry contest, three Jimmy students proved their poetic ability by gaining a collection of first, second and third places in the two divisions.

Mary Moe, a freshman, copped first place in Division 2 for her poem entitled, "The Miracle." Junior Larry Hawthorne placed second in Division 3 for his work called "Heritage." Sandra Anderson, a senior, came in third in Division 3 for her poem, "Misty Day," which moved up to first place in the state competition and has been entered in the national contest.

Larry Hawthorne Takes Command Of Student Council Prexy Duty

Pat Curran, treasurer; Judy Schommer, vice-president; Larry Hawthorne, president; and Paulette Hentges, secretary, extend the long arm of the law that will be used in all Student Council projects next year.

After a week of vigorous campaigning and speechmaking Jims elected Student Council officers for next year on Tuesday, May 9.

Larry Hawthorne will wield the gavel as president, Judy Schommer will serve as vice-president, and Paulette Hentges and Pat Curran will hold offices of secretary and treasurer, respectively.

Larry heads the junior class as president this year and served as chairman of the JS.

The new vice president, Judy Schommer, moved up to that job

from Student Council secretary. Judy also acts as secretary of Science Club and belongs to Pep Club and CYO. This summer she will attend Girls State at the University.

Paulette, recently elected to the B team cheerleading squad, keeps busy with Pep Club and her duties as Council treasurer.

The future treasurer, Pat Curran, played football and basketball this year. Pat plays a clarinet in the school band and serves on the Chi Rho board of directors.

Students Dedicate Themselves To Mary, Queen of Apostles

"Hail, Virgin Dearest Mary" rang out at the school Mass on May 2, while Jane Hoverson crowned a statue of Our Lady in the annual May Crowning ceremony.

Dressed in spring formals and carrying red roses, homeroom representatives selected by the students for their Mary-like qualities served as Janie's attendants for the ceremony.

Seniors chose Sandra Anderson and Katie Monley; juniors, Carol Deraney, Cindy Olson, Deanna Hoffarth, and Rosemary Ryan; sophomores, Susan Freund and Cheryl O'Connell; and freshmen, Rosalie Krile, Mary Moe and Peggy Poczyswinski.

Before celebrating Mass, the

Reverend Gerald McCarthy, senior religion instructor, gave a short talk emphasizing Mary's role as Queen of the Apostles and the obligation of students to be apostles.

Athletes Garner Awards for Year's Service

A committee composed of Mr. Loyde Richmond, Sister Alissa Marie, the Reverend Kenneth Knoke, and Mr. William Ridley has chosen Dick Dehn, junior, as the third recipient of the 3-R scholarship.

Mr. and Mrs. Loyde Richmond established this award three years ago in honor of their sons William, Rodney, and Elwood who participated in athletics at St. James.

The Richmond's present this award annually to a junior, sophomore or freshman who shows outstanding qualities in religion, athletics, scholarship, and school citizenship. This award may not be won twice by the same boy.

Dick has been active in Chi-Rho for the past three years, and served as president of his homeroom as a sophomore. This year the junior class elected Dick as their vice-president.

Dick has also participated the past two years on the varsity football, basketball, and golf teams.

Jim Larson and Neil Severin-son, seniors, received the two

previous 3-R scholarships.
